IMPORTANT UPDATE TO ROADWORKS

Dear Resident **June 2025**

We are writing to inform you that the A435 Evesham Road/Wellington Road junction will be temporarily closed from **20:00hrs on 11th July to 06:00hrs on 14th July**. This closure is necessary to carry out essential improvements as part of the A435 Cycleway. The closure has been approved by Gloucestershire County Council and is vital to ensure public safety and enable our team to complete the work efficiently.

During this period, we will:

- **Remove the existing road surface and temporary mini roundabout**
- **Undertake necessary infrastructure upgrades**
- **Resurface the road to a high standard**
- **Apply new road markings and safety surfacing**
- **Commission new traffic and pedestrian signals**

Please note that some of the works will be carried out overnight.

We understand that road closures, particularly overnight works, can be disruptive. Please be assured that we will take all possible measures to minimise noise and inconvenience to nearby residents.

This short-term closure will allow us to safely and effectively complete works at this junction.

A local diversion route will be in place to maintain access to nearby properties. Full details of the junction closure and diversion can be found on page 2 of this letter.

We sincerely apologise for any inconvenience caused and greatly appreciate your patience and cooperation during these important works.

For further information or enquiries, please contact:

- Montel Civil Engineering: A435cycleway@montel-group.com
- Gloucestershire County Council - Major Projects: majorprojects@gloucestershire.gov.uk, **website:** www.gloucestershire.gov.uk/highways/A435Cycleway

Thank you again for your understanding and support.

Kind regards,
Montel Civil Engineering Team
